ABOUT CHINA YUNNAN COPPER AUSTRALIA

CYU, which listed on the ASX on 29 October 2007, is an Australian resource company formed to explore and develop minerals in Australia and overseas.

Initially, the company is focused on exploring its tenements in Queensland for copper, gold and uranium but is actively evaluating other acquisition and joint venture opportunities to grow its business rapidly.

This strategy is supported and assisted by CYU's cornerstone shareholder, Yunnan Copper Industry (Group) Co Ltd (YCI) which is China's third largest copper producer.

YCI provides ongoing support in CYU's role of becoming YCI's international investment arm and mining house.
